

Your path is our goal.

Since 2012

Franken Logistik is a family business managed since 2012. We are active in the international forwarding and logistics sector. Our range of services includes both national and international truck transports to and from Western and Eastern Europe, Russia, the CIS states, Central Asia, Iran and China. Rail-air and sea transports as well as heavy and oversize transports complete the product portfolio in the field of goods transportation. In addition, we provide all logistics services for our customers in contact and action logistics.

We are looking for 01.08.2022

Trainee (m/f/d) Freight forwarding and logistics services clerks

With us, you record orders from international customers and are sometimes "on the road" all over the world in one working day: You prepare offers for our customers and plan the right route so that the goods arrive in Barcelona on time. By the end of your training, you will have become familiar with various departments - from scheduling and customer service to the air and sea freight department. You work independently in our team and take on responsibility.

Your profile

- Graduation from a commercial college, high school diploma or entrance qualification for a university of applied sciences
- Good grade point average in German and mathematics
- Trustworthiness
- Good command of English
- Computer skills (MS-Office)
- Driving license class B would be desirable

Our offer

We offer you a qualified training with a future, because we take over a large part of our trainees after their training. You can expect a good working atmosphere, modern premises and a multicultural and super nice team.
