

Your path is our goal.  
Since 2012

Franken Logistik is a family business managed since 2012. We are active in the international forwarding and logistics sector. Our range of services includes both national and international truck transports to and from Western and Eastern Europe, Russia, the CIS states, Central Asia, Iran and China. Rail-air and sea transports as well as heavy and oversize transports complete the product portfolio in the field of goods transportation. In addition, we provide all logistics services for our customers in contact and action logistics.

We are looking for the next possible date a

## Dispatchers (m/f/d) International

### Your tasks

- Organization of pan-European truck transports
- Negotiations with international partners and companies
- Control of the utilization and effectiveness of the deployed contractors
- Maintaining cooperation with our existing partners
- Expansion of the network and the trustworthy handling of information

### Your qualifications

- Commercial training (e.g. as a management assistant (m/f/d) for forwarding and logistics services)
- Several years of professional experience with international dispatching/forwarding
- Fluency in English
- Another foreign language would be desirable

### We offer

You will work at Franken Logistik in a highly motivated, committed and helpful team. We offer you a modern workplace and structures with short routes for the uncomplicated solution of your work tasks. Free parking as well as a tea and coffee flat rate brighten up every working day. You will receive a performance-related salary including a vacation and Christmas bonus.
